4CH HDD Commercial Vehicle AIMDVR (MA9704E) -

Key Features:

1. **Integrated Safety Systems:** ADAS, DSM, BSD.
2. **High-Quality Video:** Supports 4CH 1080P/720P AHD with H.265 video encoding.
3. **Advanced Data Security:** Built-in super capacitor, HDD and SD card support.
4. **Comprehensive Connectivity:** GPS/BD/GLONASS, 4G, optional WiFi.
5. **Robust Power Management:** 9-36V DC wide voltage, intelligent power management.

Technical Specifications:

- **System:** Embedded Linux OS
- **Video Input:** 4CH 1080P AHD/TVI/CVI/CVBS
- **Video Output:** VGA + CVBS
- **Audio Input/Output:** 4 CH input, 2 CH analog output
- **Video Compression:** H.264/H.265
- **Storage:** Supports HDD and SD cards (up to 512 GB)
- **Wireless Module:** Built-in GPS/BD/GLONASS, 4G module, optional WiFi
- **Power Supply:** DC 9-36V, low power consumption, various protections
- **Operating Temperature:** -10°C to +40°C
- **Dimensions:** 162mm x 153mm x 52mm
